February 16, 2011
March 16, 2011
April 20, 2011
May 18, 2011

Please note that the January Energy Task Force meeting of both subcommittees is cancelled.

The Division of Planning & Regulatory Services has hired a grant funded intern for the Energy Efficiency & Conservation Program whose first day of work is on January 19th, 2011.

Brad Cappucci will be responsible for providing administrative and research support for the Energy Task Force, conducting research related to and assisting in drafting the City's 2015 Climate Action Plan, as well as other EECP program activities.

The time before the February meeting will be used to familiarize Brad with the work done by the Energy Task Force so far and to create an updated work plan and timeline for the Task Force.

We look forward to working with you on the City's 2nd Climate Action Plan with renewed energy in 2011!
