

OIL BURNER PERMIT APPLICATION

Fuel oil in excess of ten gallons used in connection with an oil burner shall not be stored in or adjacent to any building or other structure without a permit. No fuel oil burner shall be installed in any building without a permit. A permit shall not be required for routine maintenance. All fuel oil burners and all equipment in connection therewith shall be installed and maintained in accordance with [527 CMR 4.00](#) (*PDF 429KB*). A person holding a Certificate of Competency as an oil burner technician may apply for a permit.

Procedure:

1. The oil burner technician applies for permit at:
Worcester Fire Prevention OR,
Department of Inspectional Services, Building & Zoning Division, 25 Meade St.
2. Permit Fee - \$50.00 check or money order payable to: City of Worcester.
3. Installation to be inspected and approved by Wiring Inspector.
4. Fire inspection will be set up after installation is complete.
