What is the SHINE Program? Assistance with Medicare and Health Insurance.....

The SHINE program provides free, unbiased and up-to-date health insurance information, counseling and assistance to Medicare beneficiaries of all ages and their caregivers. The SHINE counselors help older persons (and younger disabled Medicare beneficiaries) understand their Medicare benefits and other health insurance options.

The Massachusetts Executive Office of Elder Affairs administers the SHINE Program throughout the state. CEMACA (Central Massachusetts Association of Councils on Aging) hosts the program here in Central Massachusetts. The Central Massachusetts Agency on Aging is a SHINE Member Site.

SHINE Counselors are available at Area Agencies on Aging, Councils on Aging, Senior Centers and Aging Service Access Points (ASAP). Counselors work in many local hospitals, housing centers and libraries. SHINE Counselors are also available for homebound individuals.
