

# NOTICE-FLAGS

**10-15-2021**

**FROM THIS DAY FORWARD:**

American flags will no longer be removed from gravesites at Hope Cemetery during the Spring and Fall cleanups (or any other time during the year) by the cemetery personnel. If you should need replacements you may bring the old flags to the office and we will give you a new flag.

Otherwise, Veteran volunteer groups will replace the old flags for new ones only twice a year for which is Memorial Day and Veterans' Day.

**\*\*\* Reminder:** these individuals are all volunteers this is not done by cemetery personnel if a gravesite should be overlooked, feel free to come to the office and get a flag for a Veteran's gravesite.

Thank you for your cooperation in this matter.

Sincerely,
