APPLICANTS ARE ENCOURAGED TO FILE BEFORE THE DEADLINE DATE WHENEVER POSSIBLE

City of Worcester Subdivision Regulations
Preliminary Plan-More than One Building on a Lot

PLAN REQUIREMENTS – The Preliminary Plan for more than one (1) building on a lot shall be prepared by a Registered Professional Civil Engineer and/or Professional Surveyor, shall be drawn to a scale of 1' = 40' or larger as to permit a clear comprehension of the details to be considered and shall show the following information:

1. Title, Preliminary Plan;
2. Development name, boundaries, north point – basis of bearing, date, scale (locus plan scale 1" = 1,000') legend, and the entire limits of remaining contiguous land owned by the applicant on a separate plan, if necessary;
3. Name and address of the record owner(s), of the developer, and of the engineer, and/or surveyor, and architect and/or designer if applicable;
4. Location and names of adjacent subdivisions and names of owners of adjacent lots or tracts, as disclosed by the most recent records of the City of Worcester Assessor;
5. Location, names and dimensions of all adjacent public and private ways that are within five hundred (500) feet of the proposed subdivision, as disclosed by the records of the Worcester Department of Public Works;
6. Locations, names and dimensions of all proposed streets and other ways (including sidewalks) for public and private use and of any reservations or easements within the proposed subdivision;
7. The approximate boundary lines of existing and proposed lot lines with approximate areas and dimensions;
8. Proposed plan in a general manner of surface and sanitary drainage for the entire tract owned by the developer including profiles of said systems and adjacent natural waterways in a general manner;
9. Existing and proposed topography, with suitable contours shown at two (2) foot intervals, and profiles of proposed streets;
10. Directions and lengths of all external boundary lines and the locations of all existing and proposed monuments;
11. Total area of project, including recreation and wetland areas;
12. Major site features should be submitted, such existing stone walls, fences, buildings, large trees (12"), rock ridges and outcroppings, swamps/wetlands and water bodies, existing paths or roads;
13. The zoning classification shall be included in the legend provided that, if the land shown on the plan encompasses more than one zoning district, all zoning boundaries shall be shown and the districts designed accordingly;
14. Title reference, date of deed, the Book and Page number or Land Court Certificate Number, where applicable, should be included in the legend;
15. Where the owner or applicant also owns or controls unsubdivided land adjacent to that shown on the Preliminary Plan, the applicant shall submit a sketch plan showing a feasible future sheet

layout for such adjacent land or a notarized affidavit that there are no plans to subdivide the land at that time.

16. **Digital Copy.** All applications, plans and materials must also be submitted as a PDF file to planning@worcesterma.gov prior to or at the time of application submittal to the office. All electronic files must be in the following format:

- Portable Document Format (.pdf), readable by Adobe Acrobat v.7.0 and later, named by project address and application type (ex. 455 Main Street – Planning Board Special Permit)
- Minimum resolution of 200 dpi
- No single file should be greater than 50 MB (collections may be broken into separate files)

Exceptions:

- Any application items not produced electronically such as hand drawn plans, drawings or hand written applications are not required to be submitted electronically.
- Plans, drawings and applications created prior to March 2013 that are not available to the applicant in electronic format.
