**'FOR KIDS BY KIDS'**

# Worcester's Web Site For KIDS by KIDS...

- Worcester's Web Resource for Kids - of all ages... is the amazing work of several high school kids from South High Community School. It's 'For KIDS by KIDS'!
- Mayor Lukes gathered the teenagers together and asked them what they thought she could do to help the kids of Worcester.
- First they decided to call themselves the Youth Philanthropy and Civic Involvement Council and that they should meet every Friday to keep working for kids.
- They also decided that Worcester needed one main resource for kids so that they could see what there is for them to do in Worcester; they don't like being bored.
- After lots of work, they came up with this list and hope you find what you're looking for, and if not, please let us know.
- Keep checking back too, because the work will continue...and if you have ideas for us, just write us at [forkidsbykids@ci.worcester.ma.us](mailto:forkidsbykids@ci.worcester.ma.us).

Classes may be out of session at Worcester Academy in the summer ... but there's still plenty of fun happening on campus! Throughout the summer we offer a variety of camps for boys and girls ages 7 to 18. Campers looking to hone their athletic abilities can sign up for our [Basketball](#), [Soccer](#), Lacrosse, Volleyball or general [Sports Camp](#). Those more artistically inclined will have a blast in our Worcester Academy [Summer Arts](#) (WASA), filled with music, theater and visual arts activities. Of course, each camp offers plenty of swimming.

The Worcester Academy Biology Camp ([BioCamp](#)) introduces motivated students to the exciting field of biology. This is an investigative and entirely hands-on program in which participants pursue research questions within varied biological disciplines.

SEA CADETS  
TEST YOUR LIMITS

Since 1958 the Naval Sea Cadet Corps has been committed to providing American youth with a drug and alcohol free environment to foster their leadership abilities, broaden their horizons through hands-on training and guide them to becoming mature young adults.

Worcester (CL-144) Division of the United States Naval Sea Cadet Corps was founded in 1998 at the Naval and Marine Corps Reserve Center in Worcester, Massachusetts, and has been in continuous operation since then. At the Worcester Division, it is our goal to instill patriotism, honor, courage, and commitment in the cadets.
